Building Business

At a recent Bayport-Blue Point Board of Education Meeting, the district and community came together to thank the Bayport-Blue Point Chamber of Commerce for their generous donation to the high school. Supporting the High School's School to Business Partnership, the chamber's \$500 donation will help to fund the launch the high school store. The store will be organized and run by students, exposing them to the many facets of marketing products. On behalf of the local businesses, Chamber of Commerce President Karl Auwaerter presented the check to the Board of Education and high school.
