DRAWING * SUNDAY * JUNE 6, 2010 * 3:00PM - 5:00PM

Held At

CAVANAUGH'S

Blue Point Avenue, Blue Point

Celebrating 42 Years Serving the Bayport-Blue Point Community

We are writing to you as proud members of the **BLUE POINT-BAYPORT LIONS CLUB**. The original Lion's Club in our community. We serve the communities of **Blue Point and Bayport**. These activities involve the purchasing of puppies for the Guide Dog Foundation, providing food and gifts for the needy during the holidays, and awarding three scholarships each year to graduating students of Bayport-Blue Point High School.

The **BLUE POINT-BAYPORT LIONS CLUB** is a community service organization that stands ready to help. We understand that these are difficult times and charities may not be on top of your priority list, but be assured that your donation will stay within the Blue Point Bayport community.

Very soon we will be conducting our annual 50/50 raffle, which is our biggest fundraiser. **We sell only 200 tickets**. Tickets are \$50.00 each. First prize is \$1,500, second prize is \$500, third prize is \$400, 7- \$200 prizes and 12 prizes of \$100. The winners need not be present. (If all 200 tickets are not sold by the start of the drawing, the prizes will be awarded proportionately).

With the purchase of a ticket, you are cordially invited to join us at Cavanaugh's Pub for fun, festivities, food and refreshments (two people may attend for each ticket purchased).

Your contribution is greatly appreciated.

Thank you,

BLUE POINT BAYPORT LION'S CLUB Commemorating 42 Years of Giving
