

**Bayport Blue Point Chamber of Commerce**

*Beautification*  
**Project**

**Won't you join  
with us today...**

To have hanging planters displayed on the light poles along Montauk Highway in the spring, summer and fall months.

During the Holidays – why yes...you will see pre-lit garland wrapped around the lamposts.

As we grow, we will expand into other horticultural endeavors to bring that old fashioned charm back to our two communities.
